Typical Sources of Money

- Wages & Benefits
- Royalties & Rent
- Arbitrage & Compounding

Landing your first job is often less about having experience and more about demonstrating potential.

Your goal isn't to prove you can do the job. Your goal is to get them to love you.

Work Ethic +

Coachability =

Opportunity

Even without experience, demonstrate responsibility, curiosity, and a willingness to learn.

Managers hire people they like. Qualifications are a distant second.

Target future opportunities after you build strong habits and trustworthy reputation.

- I haven't done this exact job before. But if you want someone who'll build something new, I'm absolutely the right person.
